Chili Dogs And American Chop Suey Fair Food

Hundreds of fair goers at the annual Westfield (Mass.) Fair enjoyed chili dogs and American chop suey offered by the Westfield River Valley Detachment 141, Marine Corps League, MCL, at its food booth in mid-August. At right, Junior Past Detachment Commandant Francis J. Curnow sells a chili dog ticket. The League's auxiliary also offered baked potatoes with all the fixings, a Fair favorite, at the far window. Funds collected at the Fair are used to support community programs offered by the MCL in Westfield and throughout Western Mass, including scholarships, parade color guards, and support for active duty Marines serving in Iraq and Afghanistan, and their families.
